

Form Maker Integration

HandL UTM Grabber / Tracker with Form Maker Integration

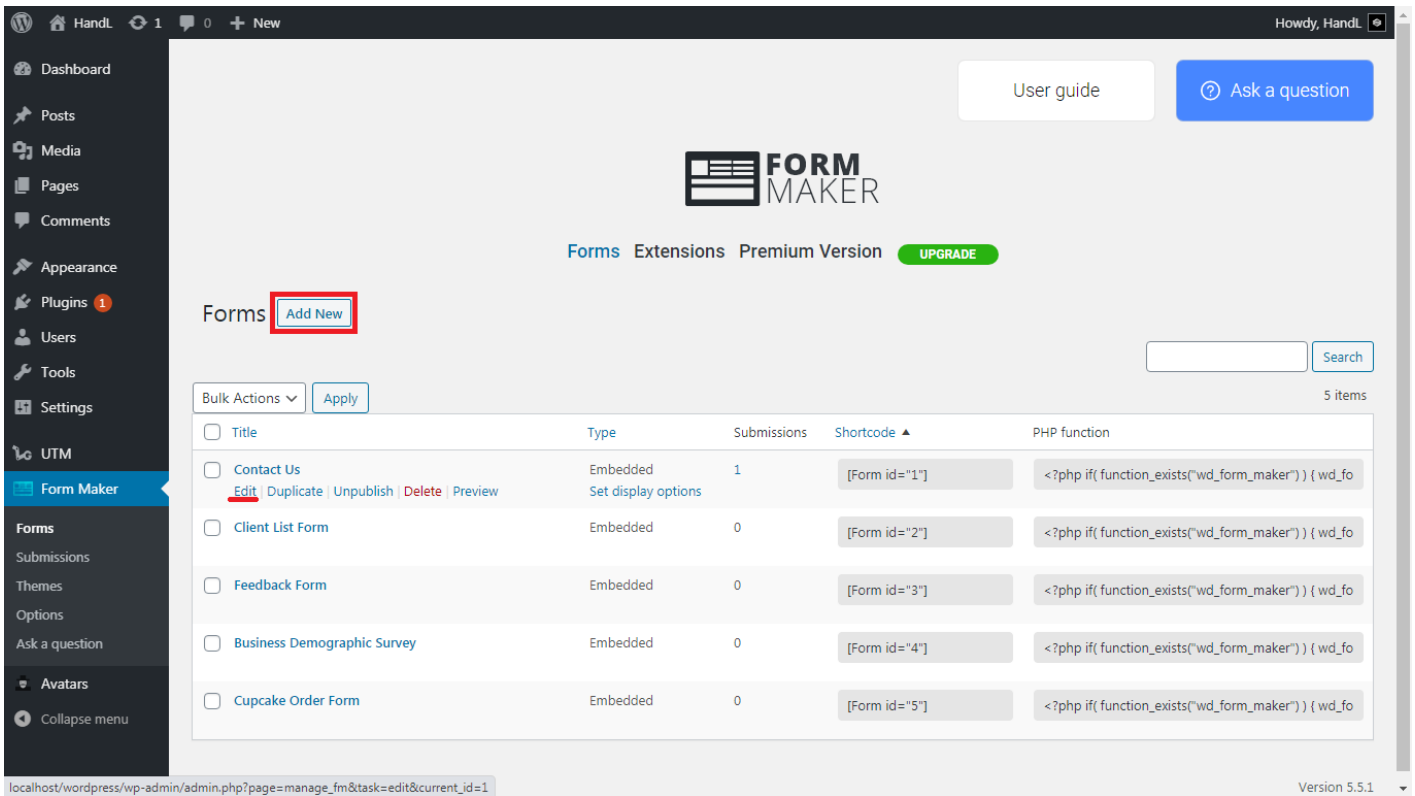

- [Form Maker Integration](#)

Form Maker Integration

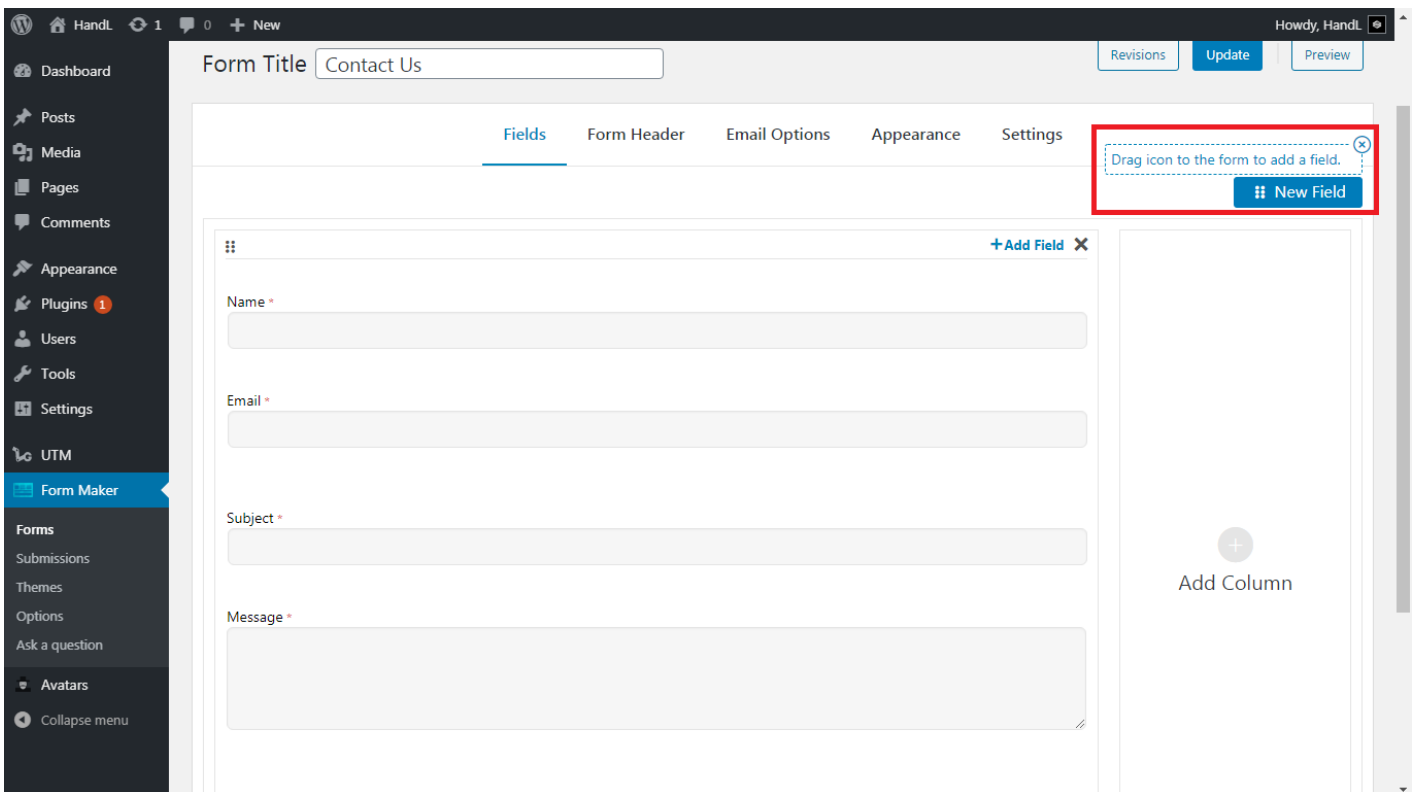

1.Click "Form Maker"

2.Create a new form or use one of the samples to edit

3. Drag the "New Field" button to the form field

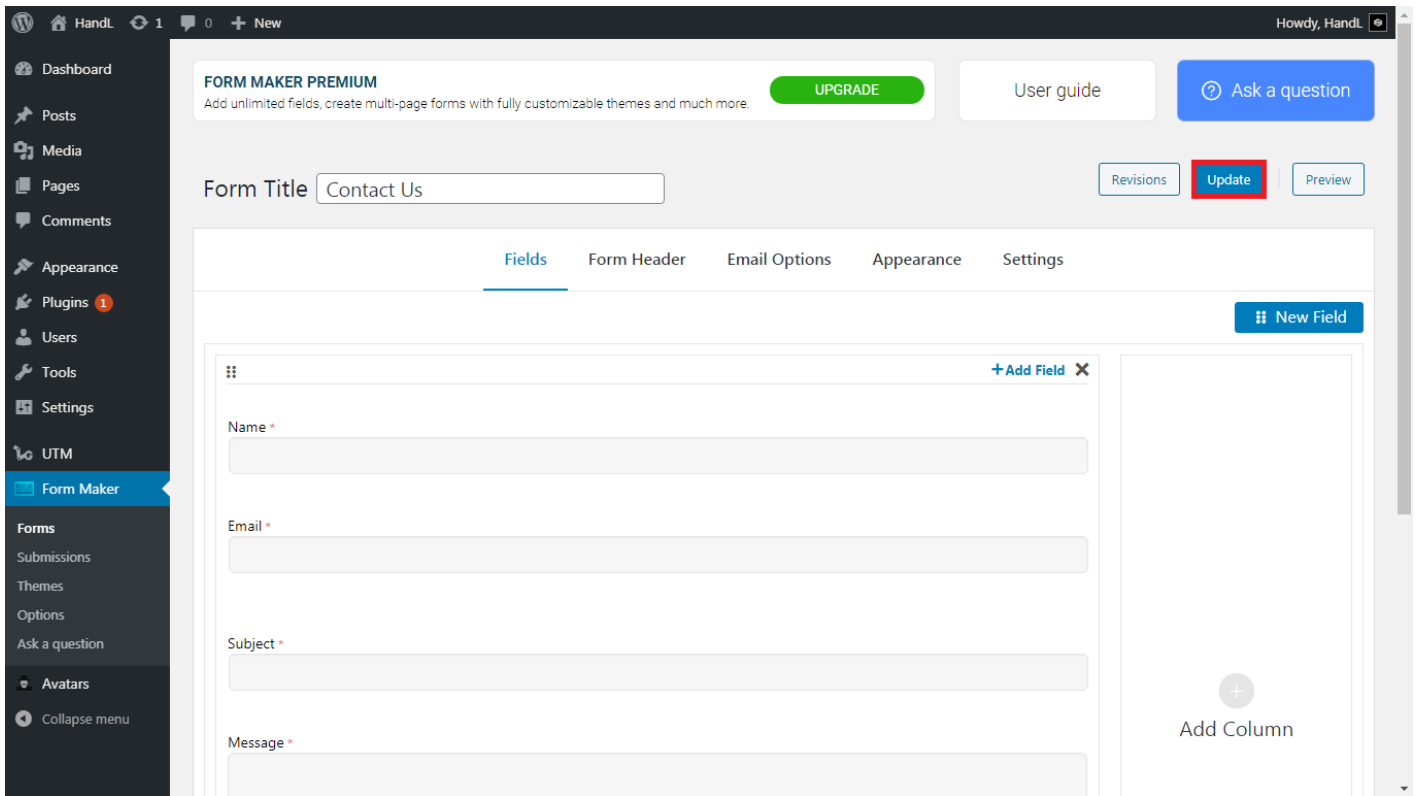

4. Select "Hidden Input" in the "Advanced" section, type the UTM tag to the "Name" field and click "Add"

Add Field

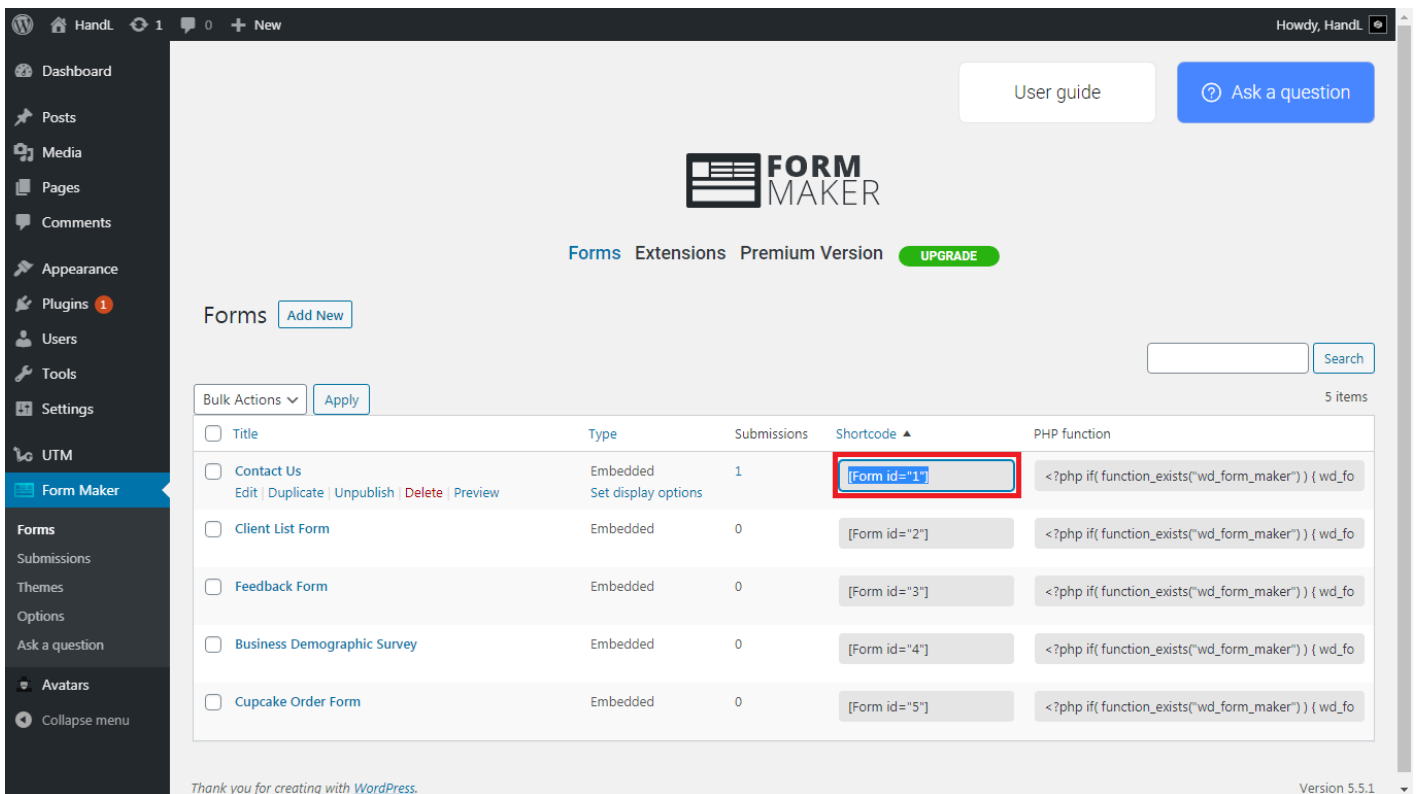

The screenshot shows the 'Add Field' dialog with the following components:

- Left Sidebar:** A list of field categories including BASIC FIELDS, USER INFO FIELDS, and ADVANCED. The 'ADVANCED' category is selected, and the 'Hidden Input' field is highlighted with a red box.
- Main Panel:** The configuration for the 'Hidden Input' field. The 'Name' field is set to 'utm_campaign' and is highlighted with a red box. The 'Value' field is empty. There is an 'Advanced options' dropdown menu.
- Right Panel:** A preview of the 'Hidden field' configuration. It shows the field name 'utm_campaign' and a description: 'Hidden Input field is similar to Single Line Text field, but it is not visible to users. Hidden Fields are handy, in case you need to run a custom Javascript and submit the result with the info on your form.' It also includes a note about the mandatory 'Name' option and a warning to avoid spaces or special characters.
- Buttons:** An 'Add' button is located in the top right corner of the main panel, highlighted with a red box and a red arrow.

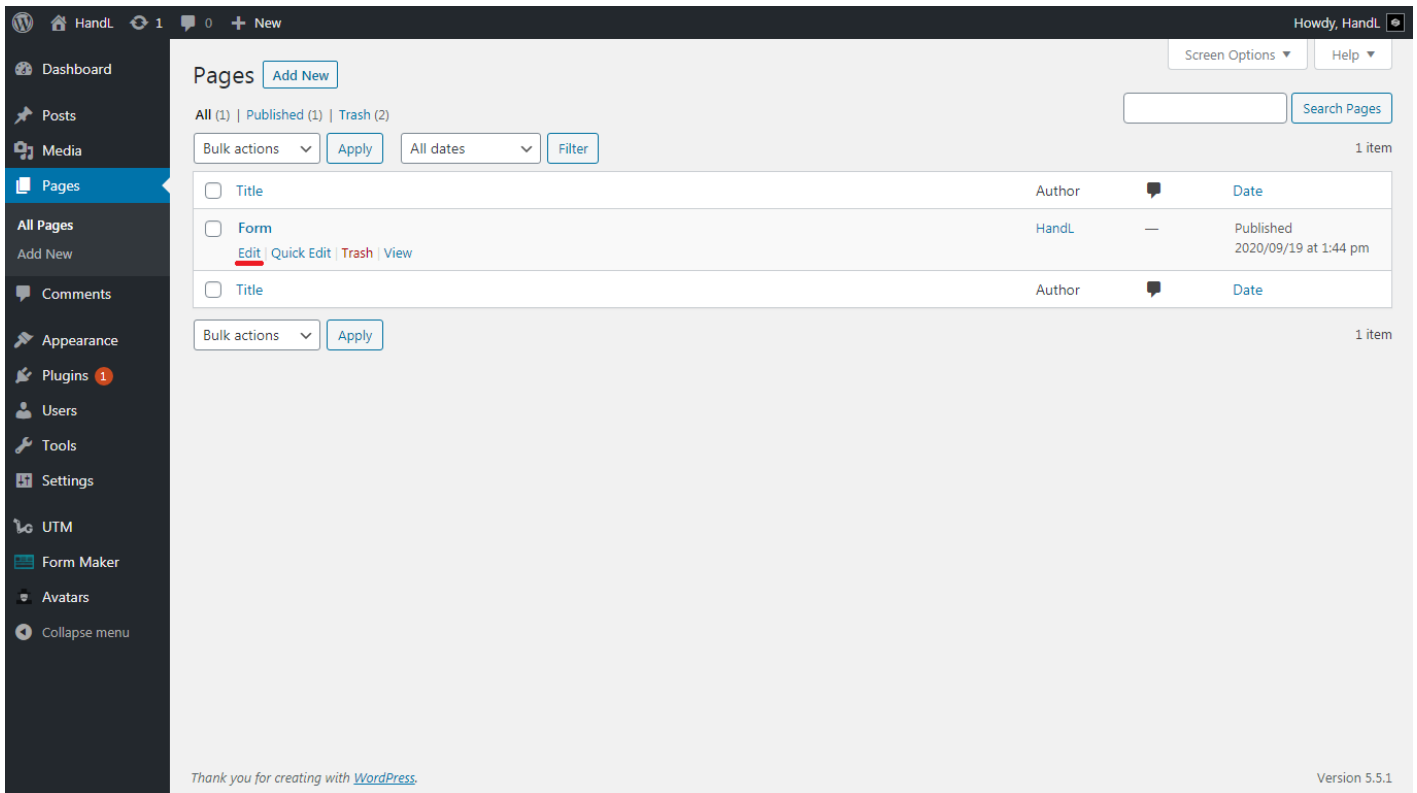

5. Click "Update"

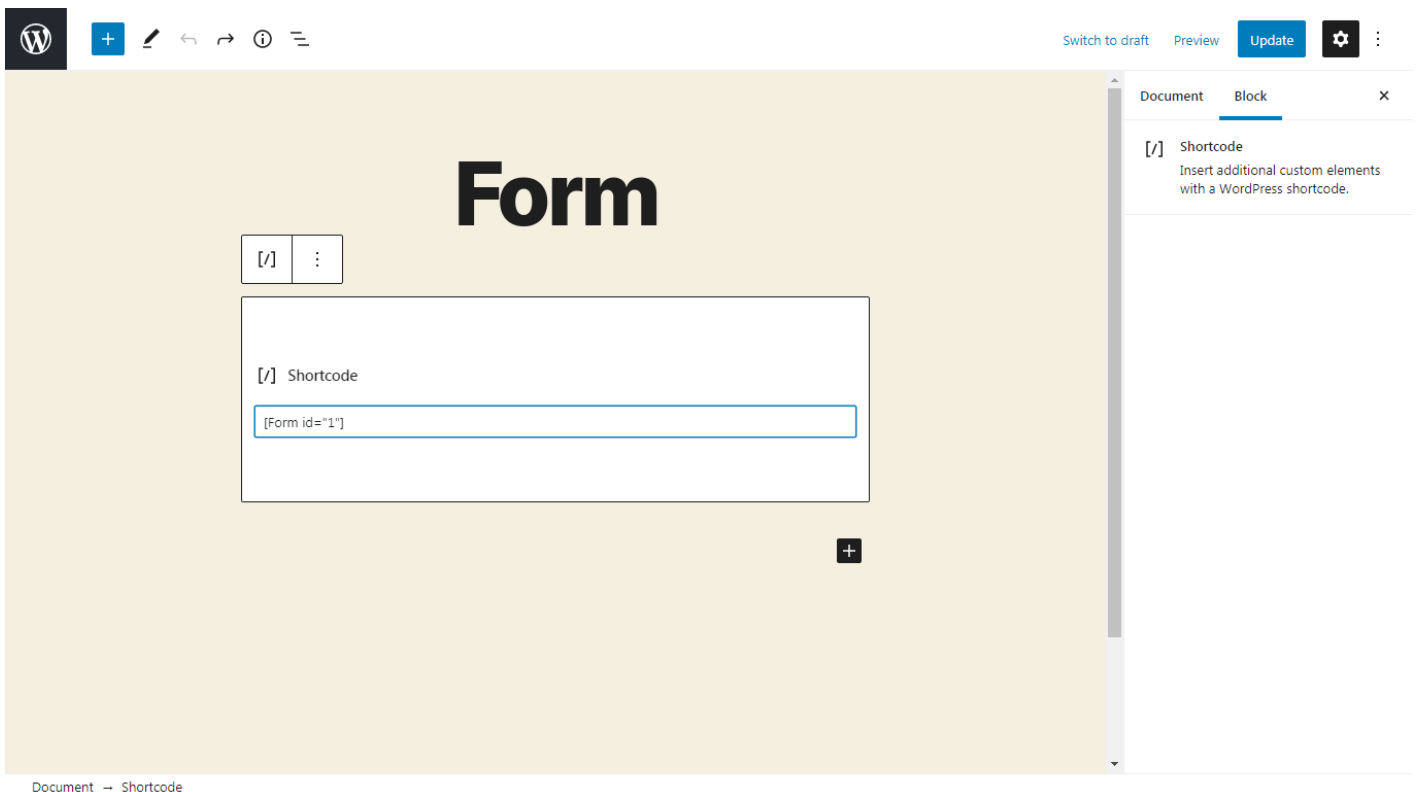

6.Copy the shortcode of your form

7.Go to "Pages" to add your form

8. Paste the shortcode and update the page

9. Time for the test!

The screenshot shows a web browser window with the address bar displaying `localhost/wordpress/form/?utm_source=testsource&utm_medium=testmedium&utm_campaign=testcampaign`. The page title is "Contact Us". Below the title, there is a paragraph: "You may contact us by filling in this form any time you need professional support or have any questions. You can also fill in the form to leave your comments or feedback." The form consists of four fields: "Name *" with the value "testname", "Email *" with the value "test@mail.com", "Subject *" with the value "testsubject", and "Message *" with the value "testmessage". A red "SUBMIT" button is at the bottom.

10.Open "Submissions" and select the form

The screenshot shows the "Submissions" page in the Form Maker application. The left sidebar has a "Submissions" menu item highlighted with a red box. The main content area has a dropdown menu open, also highlighted with a red box, showing a list of forms: "- Select a form -", "Business Demographic Survey", "Client List Form", "Contact Us", "Cupcake Order Form", and "Feedback Form". The "Contact Us" form is selected. The page also features a "FORM MAKER PREMIUM" banner, an "UPGRADE" button, a "User guide" link, and an "Ask a question" button. A "Blocked IPs" button is visible on the right. The footer includes a "Thank you for creating with WordPress" message and the version number "Version 5.5.1".

11.You're ready to catch the UTM's now
