# Passing UTM Variables to New Registration Admin Email Template

**1-) Go to Ultimate Member > Settings > Email > New User Notification > Click the settings cog**

The screenshot shows the 'Ultimate Member - Settings' page, specifically the 'Email' tab. The page displays a list of 13 email notification items. The 'New User Notification' item is highlighted with a red arrow pointing to its settings cog icon, which is also circled in red. The left sidebar shows the navigation menu with 'Ultimate Member' and 'Settings' highlighted.
