

# Ultimate Member Integration

HandL UTM Grabber / Tracker Ultimate Member Integration step by step

- [Passing UTM Variables to New Registration Admin Email Template](#)

# Passing UTM Variables to New Registration Admin Email Template

**1-) Go to Ultimate Member > Settings > Email > New User Notification > Click the settings cog**

The screenshot shows the 'Ultimate Member - Settings' page with the 'Email' tab selected. The page displays a table of email notifications. The 'New User Notification' row is highlighted with a red box around its settings cog icon. The table has the following structure:

Email	Recipient(s)	
Account Welcome Email	Member	[Cog]
Account Activation Email	Member	[Cog]
Your account is pending review	Member	[Cog]
Account Approved Email	Member	[Cog]
Account Rejected Email	Member	[Cog]
Account Deactivated Email	Member	[Cog]
Account Deleted Email	Member	[Cog]
Password Reset Email	Member	[Cog]
Password Changed Email	Member	[Cog]
Account Updated Email	Member	[Cog]
New User Notification	bilgi@websitelerimiz.com	[Cog]
Account Needs Review Notification	bilgi@websitelerimiz.com	[Cog]
Account Deletion Notification	bilgi@websitelerimiz.com	[Cog]

**2-) Add the following short tags in the admin email template**

## Ultimate Member - Settings
